

STARSHIP INU

PHASE 1

- Launch \$STARINU on Ethereum
- Build a strong community on Telegram, Twitter, and Reddit
- Collaborate with KOLs (Key Opinion Leaders) to amplify awareness
- Start heavy raiding on social platforms to drive trending discussions

PHASE 2

- Celebrate SpaceX's Starship launch (Jan 15th, 2025) with viral campaigns
- Push \$STARINU to trend on Ethereum through high-volume activity
- Submit applications to CoinGecko and CoinMarketCap for official listings
- Leverage KOLs and influencers to attract a global audience

PHASE 3

- Expand exposure with aggressive marketing campaigns
- Organize community giveaways and contests to boost adoption
- Intensify heavy raiding to dominate social media platforms

PHASE 4

- Burn tokens periodically to ensure scarcity and increase long-term value
- Establish \$STARINU as a top meme coin in the crypto space
- Grow with a united community and strategic partnerships
- Let's take \$STARINU to the stars together!
